

# Congratulations

What more can we say but a huge THANK YOU and CONGRATULATIONS to the Liskeard Traders Association and the Liskeard In Bloom teams and everyone involved in making Liskeard look amazing again for another year.

The Liskeard Traders Association won Gold in the Business, Leisure and Tourism category and then Liskeard won Gold in the Town Centre category at the 2018 South West in Bloom Awards Ceremony held in Yeovil on 4th October.

There are many ways people have supported the work too. Be it responding to a request for donations of plant pots, individual properties who placed flowers around their homes, buying the plants that have been for sale at many events, down to passing the time of day with the many volunteers and organisers who care so much about the town who all make it what it has become. Something to be proud of!

We are glad that you have placed these beautiful plants in our town and thankful that you tend to them regularly to keep them looking so smashing.
