Dear Steve Vinson,

Local Maintenance Partnership 2018-19

Thank you for your continued support with this excellent initiative. I have pleasure in providing you with information for the Local Maintenance Partnership programme for 2018-19.

This funding is specifically for the cutting of vegetation that grows along the surface of Public Rights of Way and is calculated at £121.00 per km, per cut for specific Gold paths, £6.05 per cut for specific isolated gates or stiles and a flat rate of £48.40 per km is offered for the overall length of Silver paths in the parish. Currently there is no specific grant for Bronze paths. A Frequently Asked Questions summary has been included in this offer pack.

The above figures include the 10 per cent increase made to the original LMP base rate and I am pleased to inform you that a further 10 per cent has also been included for 2018-19. In total this represents a 20 per cent rate increase from 2015. The uplift has come as a direct result of last year's review of the LMP undertaken by the Cornwall Association of Local Councils working in partnership with Cornwall Council.

I am therefore pleased to offer you £1161.9 for the cutting of Public Rights of Way in your parish.

Please find enclosed:

- **Parish Schedule** – schedule of cutting lengths and eligible costs.
- **Contractor summary of cutting** – this details cutting lengths only; please copy as necessary and pass to your contractor asking them to note the dates that they undertake each cut and return it to you with their invoice.
- **Digitised Public Rights of Way Maps** - illustrating the Gold, Silver and Bronze path cutting regimes for the Parish. Please make these available to

your contractor to use with their schedule so that they can locate areas that require cutting.

- **Invoice Template** – Please use this template when you are ready to submit your invoice.
- **Acceptance of offer form** – To be signed and returned confirming your acceptance.

If you would like to accept this offer, sign your acceptance form and return it to me within one month of the date of this letter. If we do not receive your confirmation we will arrange for CORMAC to undertake the paths clearance directly.
