

LISKEARD LIGHTS UP

Lighting Up Liskeard 2020

Over 2000 people packed the streets last year for our Lights Up spectacular of lights and music, the culmination of a day of celebration around the town, and the start of the festive season which sees a fabulous display of Christmas lights and decorations in our lovely town.

But this year, thanks to Covid -19 things will be looking very different.

Every effort is being made for the town to be decorated with Christmas lights as usual. Unfortunately we will not be able to have either a lantern procession or fireworks to celebrate the switching on of the lights.

Instead we are asking the people of Liskeard to **join together on Saturday 28th November at 6.30pm** to celebrate on their doorsteps, to make their own lantern to display at home, or just shine a light to come together and brighten up the streets of the town.

How can you help?

Each year we ask the town's local shops and businesses to help support the costs of the event. Even without the procession and fireworks, there are costs involved in decorating the town with Christmas lights.

We re-use many of our decorations each year, but need to make sure they are safe to use and properly maintained – and of course, we'd love to have funds to buy more decorations and make Liskeard's Christmas even better!

We know things are particularly difficult this year.

Can you make a donation?

If every business in Liskeard makes a contribution, we will raise the money we need. Any amount - large or small – will be very welcome. Details on how to donate are attached, and we'll acknowledge your help on our facebook page ([@LiskeardCornishChristmas](#)). It would be helpful if donations could be made by **MONDAY 16th NOVEMBER** (but we won't turn down donations received after this date!)

Can you give your time?

We wouldn't be able to deliver this without the help of volunteers whose time and energy is hugely appreciated. Can you help:

- putting up the lights (Sundays 15th and 22nd Nov); and
- helping to publicise the events?

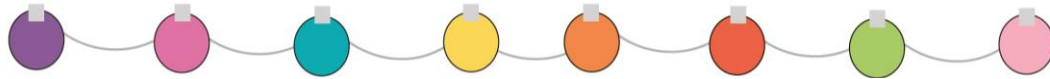

We'll be sending out a call-out soon with more details, but in the meantime, if you'd like to volunteer, please contact us c/o Liskerrett Community Centre.

Thank you in advance for your support
