Who are we?

Liskeard Arts is a member of The Arts Society, a national organisation with over 350 affiliated societies and more than 90,000 members. This provides access to over 300 professional speakers and a wide range of subjects from some of the country's top experts.

What do we do?

Talks, Discovery Days, Tours & Visits
Our main activity is the 9 talks per year. We aim to provide entertainment, educational and often amusing talks of the highest quality, delivered by professional speakers from academic, media and literary backgrounds. Discovery Days allow exploration of a topic in more depth. Foreign and UK tours have been held together with a range of more local visits.
