

Extra Care housing

Public drop-in event for Liskeard

Date: Tuesday 22nd October 2024

Time: 3.30pm to 7.00pm

Venue: Liskeard Public Hall (Emily Hobhouse Room) 3/5 West Street

Cornwall's population is growing and it is also ageing faster than the UK average. There is growing evidence of a significant supply gap in Cornwall of around 3,800 units of Extra Care by 2050.

Extra Care (also known as assisted living) offers housing for people who are generally aged 55 and over. It gives you the opportunity to live in a home of your own with 24/7 on-site care and support on hand if and when you need it.

The Council is looking at ways to increase the number of extra care schemes across Cornwall and one of the locations being considered is the Laity House site in Liskeard.

Come along to the drop-in sessions where members of the teamworking on the project will be on hand to talk to you about the proposals and answer any questions you may have.
