

Liskeard Stroke Club

The Stoke Support Group marked the end of this term with a cream tea at The Rockhopper Café at Siblyback Lake.

The group meets on a Monday afternoon (apart from in August) at the Liskerrett Centre from 1.30 - 3.30, and is one of the Mayor's charities this year.

The group welcomes new members and wishes to spread the word, so more people become part of a great bunch of people who have somewhere to go for some help, advice and social inclusion, not to mention a tasty looking cream tea!
