Dear Steve Vinson,

Local Maintenance Partnership 2017.18 – Eligible funding £1056

Thank you for your continued involvement with the Local Maintenance Partnership.

I am therefore pleased to offer you £1056 for the cutting of Public Rights of Way in your parish.

This funding is specifically for the cutting of vegetation that grows along the surface of Public Rights of Way and is calculated at £110 per km, per cut for specific 'Gold' paths, £5.50 per cut for specific isolated gates or stiles and a flat rate of £44 per km is offered for the overall length of silver paths in the parish.

Please note: the above figures include the 10 per cent increase made to the LMP base rate in 2016 – 17.

Thank you to all the parish and town councils that responded to the recent review of the Local Maintenance Partnership. The results of the review are now being used to inform a discussion with the Cornwall Association of Local Councils which is looking at the future options for the Local Maintenance Partnership.

Please find enclosed the following:

Parish Schedule – schedule of cutting lengths and eligible costs.
