

I was in the British armed forces from 1998 to 2000 then I was a manager running 2 pubs and 3 night clubs up North. Then I went self employed as a plasterer painter and decorator. Since moving to Cornwall 2 and half years ago I have opened a tanning salon in the centre of liskeard.

Am very interested in helping liskeard keep its heritage while bringing new up to date businesses into the local area. To provide jobs and homes for the people of Liskeard and also encourage people to move to Liskeard and open new businesses.

I am a very versatile person and good listener and by taking this job am hoping I can make a change for Liskeard and the people of Liskeard.

Re - our meeting this morning

I would like to be considered for the position as town council.

I meet all the necessary requirements for this position.

As you know I own my own business in liskeard and have been resident also for 2 half years and I am on the register to vote

Many thanks
