### **60 / 26          TO RECEIVE AN UPDATE ON PROGRESS OF ITEMS FROM THE LAST MEETING OF THE PLANNING COMMITTEE ON MONDAY 15 JUNE 2026**

All items on the agenda

### **61 / 26          AGENT/APPLICANT PRESENTATIONS**

Ian Browning (PA26/04064) - Pendean House was not listed. There was currently no direct access from the house to the garden, and the proposed extension used an existing corner of dead space to resolve this and provide views from the house over the garden.

Jonathan Luker (PA26/03959) – The proposal was to convert a dwelling house on Higher Lux Street into a House of Multiple Occupation. Due to the number of rooms, a licence was required from Cornwall Council, and it was required to meet safety standards, therefore the applicant had been working closely with the HMO officer at CC from the outset to develop the proposal. All seven ensuite rooms would be generous doubles; there was some amenity space available and two parking spaces at the rear. As kitchen facilities were shared there would be single shared bins with commercial collection arranged via Biffa. The plans currently shown on the planning portal had since been updated, with small changes to the rear.

Melanie Barwis (PA26/04106) – The site west of Little Dean was currently a pony field, and provided a small, sustainable site for new housing, within walking distance of the town centre. The total site was 1.6 acres and was not overlooked. The expectation was that it would be developed with dwellings of a similar size and style to the existing properties. The two trees with preservation orders which require removal would be replaced.
