451 / 25 AGENT PRESENTATION

Ivan Tomlin (PA25/01739 & PA25/01740) advised that the revised plans were due to changes requested by the planning and historic environment officers. These included removing the carparking spaces in front of plots 12 and 13 to bring them forward to the roadside and create a larger green space to the rear below the existing property to the north. Plots 1, 2, 3 and 4 have become a pair of semi-detached properties with rendered finishes, rather than part of the terrace, which is more in keeping with the existing historic streetscape. It was confirmed there would be a central waste collection point to the rear of the properties rather than from the footway at the front, and the necessary swept path analysis had been provided.
