***Golden Tree Productions and Liskeard Town Council are celebrating a Cornish Language Christmas this year with Nadelik Lyskerrys.*** Local schools and businesses will come together with the wider community to celebrate Christmas with a feast of Cornish traditions, food and song.

Participating schools will be given an introduction to the Cornish Language culminating in a weekend of activities coinciding with Liskeard Lights up. Pupils will work alongside local artists to dress shops around the town with Cornish Language inspired decoration. Community members of all ages will have the chance to get involved with a series of drop-in Kernewek and Carol singing workshops. A Cornish Language residential will bring Kernewek speakers from all over Cornwall to Liskeard to join in the festivities as the project culminates in the run up to Christmas with a Cornish language twist on the popular lantern parade, Christmas feast, carol singing, traditional music and lots more.

Golden Tree and Liskeard Town Council look forward to wishing everyone 'Nadelik Lowen'.
