7	Bags do not get emptied properly and not enough info.	11/11/2020 11:44 AM
8	Recycling was not being collected and bags were going missing. Used to use recycling banks daily in car park.	11/10/2020 2:41 PM

12	The Dustbin collectors are fantastic! Neighbours fill their black bags with inappropriate stuff.	11/10/2020 12:36 PM
13	Would be better to have wrappers collected kerbside too. I think people that don't recycle at all wouldn't fill out this form. So you will only get feedback from recyclers anyway. Maybe knocking on doors on recycling day and asking people "where is your recycling?" might bring back a totally different set of answers.	11/10/2020 12:21 PM

16	I have not used kerbside recycling as I am not home during working hours to collect in the bags after collection. Im afraid the will be blowing about the streets or stolen. Also I have no space to store the box and bags in my flat and no space on the road to put them out.	11/10/2020 11:44 AM
17	Problems tend to be with normal black bags being ripped open by seagulls	11/7/2020 9:22 AM
