15/07/2017				Eggs should be culled, but as the adult birds have become a danger to people, pets, and other wildlife there is a strong case that they should also be culled. Reinforced bags.	
17/07/2017	<p>28 Rapson Road - can't sleep at night because of the constant noise so you have to have windows shut . if you eat in garden they swoop down for food and all you can hear and see are seagulls circling etc .they mess on cars and windows get at rubbish they are taking over.</p> <p>Lake Lane/Poldhu - they swoop down behind me and my dogs from every angle each year getting worse Lake lane and rapson road will be come so bad you won't be able to walk out your own house they are frightening to me and everyone else</p>	<p>Lake Lane, Rapson Road & Poldhu Road</p>			<p>#2 #7 #8</p>
19/07/2017	Ripped Bins - neighbour not actioning problem	Pengover	Christina visited to try and discuss the problem - resident didn't answer the door		#9

<p>12/08/2017</p>	<p>Seagulls Ripping bin bags - Church street - especially the Chinese takeaway Lai Wan and Canon Street. Lake Lane.</p>	<p>Church street & Lake Lane</p>		<p>Offering a FREE service to remove nests and fit gull proofing spikes and FREE seagull proof bags. More bins available. Fining those who allow their rubbish to be ripped apart or litter. Keep to weekly bin collection.</p>	<p>X #1 X #2</p>
<p>13/08/2017</p>	<p>2016 - nests blocked gutters & drains - caused flooding of the Jewellers Workshop next door. Seagulls guarded young, attacked elderly disabled clients. Incident - attacked receptionist - she needed hospital treatment to dress the wound and give a tetanus injection. 2017 - not able to leave door open as baby seagull tries to get in while parent swoops overhead. Neighbour Marlene at Koffiji Cafe cannot open Velux windows which causes overheating in her kitchen & cafe due to seagulls nesting and congregating on her roof trying to get in to access food (and defecate on customers inside as they eat).</p> <p><i>Problem with increasing numbers of fouling pigeons roosting in the the derelict property owned by Lloyds bank group at the other end of Pigmeadow Lane.</i></p>	<p>Pigmeadow La, Liskeard P</p>		<p>Egg picking.</p>	<p>X #3</p>

14/08/2017	Seagulls nesting on roof - disturbing sleep- health hazard. Cannot open windows or hang washing. Aggressive when they have young and dive bomb on patio.	Guildhall Pike Street	Spikes were put on the small Guildhall roof but the expense was not warranted for the main roof - would like to see spikes put on main roof however seagulls will move to another spot.	Hiring a hawkler to come into town regularly - some sort of culling.	X #4
14/08/2017	2 nests on house roofs near by.	Miners Way	Prevented nesting on his own roof.		X #5
15/08/2017	Ripped bins, neighbours feeding birds encouraging problem. Dive bombing down road - advised to contact us directly.	Pengover Park	Clearing other residents rubbish which is ripped open on Wednesday mornings. Spikes used, didn't work - now removed.	Nests removed. Neighbours using seagull bags. Have to put bins outside their own property - not communal area. Removed old nest before - RSCPA £500 charge if touched again.	X #6
31/08/2017	Nesting seagulls	Manley Road/ Meadow Park
