The **Grow Nature Seed Fund** supports small-scale projects that **help create more space for nature** within local communities. For example...

 Turning community greenspaces into **habitats for wildlife**

 Making **eco-friendly improvements** to community centres or village halls

 **Coastal and marine** projects

 **Heritage restoration** projects

 Activities to **encourage people to 'grow nature'** and learn about and enjoy wildlife

 **Local wildlife training and monitoring**

 **Schemes to reduce** invasive species, litter, noise or light **pollution**

Up to £500 is available for eligible projects, run by locally based 'not for profit' organisations.

You could also double your money when you apply through the new Crowdfund Cornwall platform:
