Tel: 01579 345407

Email: reception@liskeard.gov.uk

We have 2 opportunities to look around the Public Hall complex on 29th April.

The first session will be between 11am and 1pm. This will have displays in the rooms giving information and a complimentary Cornish cream tea, but it will be a quiet time for those who would prefer that.

The 3-5pm session will have the rooms set up showing displays and the Cornish cream tea, but, it will also have performers using the Stage periodically to show off its adaptability, there will be an inflatable in the Hall and Party demonstrators to give inspiration on how you can use the venue. We will also have an area showing possible wedding or function possibilities.

Please come along and have a look around, you'll be surprised how versatile the building is. We have the Dalek at the Museum, but the Public Hall is like Dr Who's Tardis – bigger on the inside than you think!

Pick up one of the Hall Tariff leaflets, it's really good value to hire.
